

B Green Receives Notice of Allowance of Patent Award for Embedded Recycled Container Sheet

B GREEN BELIEVES THAT PLASTIC SHEETS TO MAKE PRODUCTS DERIVED FROM THIS METHOD WILL REQUIRE A LICENSE FROM US

Matawan, NJ, August 24, 2011 – B Green Innovations, Inc. (OTC Bulletin Board: BGNN), announced today that it has received notification of a patent allowance award for Embedded Recycled Container Sheet. B Green, plans to license the technology or create products from the compressed flat composite recycled bottle sheets so as to retain the visible display of the of deformed identifiable bottles, such as Cutting Boards, Baskets, Kitchen gadgets, Trays, Bins, Cases, Book Binders and Flower Pots.

The invention relates generally to a method of producing composite recycled bottle (also referred to as containers herein) sheets from recycled plastic containers embedded in plastics. This is the fourth B Green Innovations, Inc. patent to be issued.

“The grants of these patents are centrally important to B Green, Inc. not only to preserve its technology but also to leverage offensively in the marketplace,” said Mr.. Mahoney.

About B Green Innovations:

The B Green Innovations, Inc. (“B Green”) “Go Green” mission from its inception is to create a “Green” company for the development of solutions to eliminate waste from the world’s environment. B Green offers consumers a realistic and necessary solution to the problem of waste around the world. We believe that to truly have an impact on the planet, one must be committed to the environment and seek out environmentally friendly products.

Certain information included in this letter to shareholders, may contain forward-looking statements about our current and expected performance trends, growth plans, business goals and other matters. These statements may be contained in our filings with the Securities and Exchange Commission, in our press releases, in other written communications, and in oral statements made by or with the approval of one of our authorized officers. Information set forth in this press release contains various "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. The Private Securities Litigation Reform Act of 1995 (the "Act") provides certain "safe harbor" provisions for forward-looking statements. The reader is cautioned that such forward-looking statements are based on information available at the time and/or management's good faith belief with respect to future events, and are subject to risks and uncertainties that could cause actual performance or results to differ materially from those expressed in the statements. Forward-looking statements speak only as of the date the statement was made. We

assume no obligation to update forward-looking information to reflect actual results, changes in assumptions or changes in other factors affecting forward-looking information. Forward-looking statements are typically identified by the use of terms such as "anticipate," "believe," "could," "estimate," "expect," "intend," "may," "might," "plan," "predict," "project," "should," "will," and similar words, although some forward-looking statements are expressed differently. Although we believe that the expectations reflected in such forward-looking statements are reasonable, we can give no assurance that such expectations will prove to be correct.
