About ICPLACES:

IC Places (OTC Bulletin Board: ICPA): IC Places is a network of city based websites connecting businesses with their patrons by providing up to the minute information, IC Places is different from other social networking and reference sites because each of our city sites is a virtual portal to the entire community. Every unique aspect of the individual city's social, business, and cultural life is available right at the city's homepage. IC Places provides the entire community with a place to talk, do business and get connected.

About B Green Innovations:

The B Green Innovations, Inc. (“B Green”), “Go Green” mission from its inception, is to create a “Green” company for the development of solutions to eliminate waste from the world’s environment. B Green offers consumers a realistic and necessary solution to the problem of waste around the world. We believe that to truly have an impact on the planet, one must be committed to the environment and seek out environmentally-friendly products.

Certain information included in this press release, may contain forward-looking statements about our current and expected performance trends, growth plans, business goals and other matters. These statements may be contained in our filings with the Securities and Exchange Commission, in our press releases, in other written communications, and in oral statements made by or with the approval of one of our authorized officers. Information set forth in this press release contains various "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933 and

Section 21E of the Securities Exchange Act of 1934. The Private Securities Litigation Reform Act of 1995 (the "Act") provides certain "safe harbor" provisions for forward-looking statements. The reader is cautioned that such forward-looking statements are based on information available at the time and/or management's good faith belief with respect to future events, and are subject to risks and uncertainties that could cause actual performance or results to differ materially from those expressed in the statements. Forward-looking statements speak only as of the date the statement was made. We assume no obligation to update forward-looking information to reflect actual results, changes in assumptions or changes in other factors affecting forward-looking information. Forward-looking statements are typically identified by the use of terms such as "anticipate," "believe," "could," "estimate," "expect," "intend," "may," "might," "plan," "predict," "project," "should," "will," and similar words, although some forward-looking statements are expressed differently. Although we believe that the expectations reflected in such forward-looking statements are reasonable, we can give no assurance that such expectations will prove to be correct.
