

**IVOICE TECHNOLOGY, INC. SUBSIDIARY B GREEN INNOVATIONS,
INC. ANNOUNCES RELEASE OF ITS NEW WEBSITE:**

WWW.BGREENINNOVATIONS.COM

MATAWAN, N.J.--(BUSINESS WIRE)--June 16, 2008- iVoice Technology, Inc. (OTC Bulletin Board: IVOT), announced today it's wholly owned subsidiary B Green Innovations, Inc., released their new information rich website this week displaying their current and future products offering, the new Web site also features comprehensive content on B Green Innovations.

Harold Halman, President of B Green, said, ““The need for innovative solutions addressing significant environmental concerns has never been greater, and places B Green Innovations, Inc. in a unique position to address this issue by actively participating in executing our strategy to supply eco friendly solutions to consumers. Our first product called EcoPod using 100% recycled tires, and by acquiring and/or associating our company with other green products we begin to engage actively in **“Recycling the planet one product at a time.”**”

About B Green Innovations:

B Green Innovations, Inc. (“B Green”) a Matawan, New Jersey-based Corporation is dedicated to becoming a “green” technology company, focused on acquiring and identifying promising technologies that address environmental issues. The first technology will be used to create new products from recycled tire rubber. Recently, we announced that we had filed a new Patent Application for a process it described as “paver blocks and patio blocks made from recycled tire crumb rubber”.
