

I GREEN INNOVATIONS, INC. Completes Reseller Agreement with Five Borough Steel Metal Supply, Inc.

ECOPOD Will Expand Five Borough's Product Line, "Recycling the planet one Tire at a time."

MATAWAN, N.J.--(BUSINESS WIRE)--December 9, 2008- I GREEN INNOVATIONS, Inc. (OTC Bulletin Board: IVOT), announced today it's wholly owned subsidiary B Green Innovations, Inc., has completed a reseller agreement with Five Borough Steel & Metal Supply, Inc. of Queens, NY to sell its EcoPod shock absorber anti-vibration pad. **"Recycling the planet one product at a time."**

Five Borough Steel & Metal Supply, Inc. will market the EcoPod to customers seeking an environmentally responsible solution for applications requiring vibration and noise isolation management. The innovative design of the EcoPod provides a unique versatility for applications ranging from industrial to residential noise and vibration control.

Alex Krup of Five Borough Steel & Metal Supply, Inc said "The demand for environmentally responsible acoustical products has increased significantly in the past few years. The EcoPod is a welcome addition to growing lists of products we offer to our customers which focus on reducing the environmental impact of each project."

About B Green Innovations:

B Green Innovations, Inc. ("B Green") a Matawan, New Jersey-based Corporation is dedicated to becoming a "green" technology company, focused on acquiring and identifying promising technologies that address environmental issues. The first technology will be used to create new products from recycled tire rubber. Recently, we announced that we had filed a new Patent Application for a process it described as "paver blocks and patio blocks made from recycled tire crumb rubber". B Green Innovations, Inc. has also filed 3 additional patents on products made using 100% recycled tires.

Five Borough Steel & Metal Supply, Inc. has been in Business for over 7 years and supplies a wide range of residential, and commercial air conditioning and heating equipment to the wholesale market across United States. As we enter the new millennium, we build on our success through realistic goals that honor principles upon which this company was established:

- ***To treat our costumers as we would expect to be treated***
- ***To use our word as our bond profitable, while maintaining the highest quality of products and service, To foster an environment where customers, employees and the company are mutually***

Five borough carries replacement parts for current and where available, many out of production Comfort-Aire, Concord, Fujitsu, Goodman, Lennox, AirEase and Rheem

products. This helps to assure the quickest response times where parts are required for warranty or non-warranty replacement.

Certain information included in this press release, may contain forward-looking statements about our current and expected performance trends, growth plans, business goals and other matters. These statements may be contained in our filings with the Securities and Exchange Commission, in our press releases, in other written communications, and in oral statements made by or with the approval of one of our authorized officers. Information set forth in this press release contains various "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. The Private Securities Litigation Reform Act of 1995 (the "Act") provides certain "safe harbor" provisions for forward-looking statements. The reader is cautioned that such forward-looking statements are based on information available at the time and/or management's good faith belief with respect to future events, and are subject to risks and uncertainties that could cause actual performance or results to differ materially from those expressed in the statements. Forward-looking statements speak only as of the date the statement was made. We assume no obligation to update forward-looking information to reflect actual results, changes in assumptions or changes in other factors affecting forward-looking information. Forward-looking statements are typically identified by the use of terms such as "anticipate," "believe," "could," "estimate," "expect," "intend," "may," "might," "plan," "predict," "project," "should," "will," and similar words, although some forward-looking statements are expressed differently. Although we believe that the expectations reflected in such forward-looking statements are reasonable, we can give no assurance that such expectations will prove to be correct.
