

B GREEN INNOVATIONS, INC. “VibeAway” Reviewed and Listed on “Gograhamgo.com” Website

B Green’s “VibeAway” (designed to stop Washing machines from vibrating and walking), “VibeAway” Made from 100% Recycled Tires

“Recycling the planet one Tire at a time.”

MATAWAN, N.J.--(BUSINESS WIRE)-February 18, 2009- I GREEN INNOVATIONS, Inc. (OTC Bulletin Board: IVOT) announced today its wholly owned subsidiary B Green Innovations, Inc. “VibeAway” product has been reviewed and listed at www.gograhamgo.com

Gograhamgo is run by a 28 - year old wife, mother, and school counselor who is always on the search for products that work or are unique and please the pocket book! When her son was born in April '07 a whole new world was opened to her.

The review titled “How to End Vibrations in your Washing Machine: VibeAway”

We purchased a front loading washing machine about two years ago when our old washer bit the dust. We decided to go with the HE to help cut down on energy costs and also to help reduce the noise created by LOUD washers! To read the full review and see a video of the product in action go to:

About B Green Innovations:

B Green Innovations, Inc. ("B Green") a Matawan, New Jersey-based Corporation is dedicated to becoming a "green" technology company, focused on acquiring and identifying promising technologies that address environmental issues. The first technology will be used to create new products from recycled tire rubber. Recently, we announced that we had filed a new Patent Application for a process it described as "paver blocks and patio blocks made from recycled tire crumb rubber". B Green Innovations, Inc. has also filed 3 additional patents on products made using 100% recycled tires.

Certain information included in this press release, may contain forward-looking statements about our current and expected performance trends, growth plans, business goals and other matters. These statements may be contained in our filings with the Securities and Exchange Commission, in our press releases, in other written communications, and in oral statements made by or with the approval of one of our authorized officers. Information set forth in this press release contains various "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. The Private Securities Litigation Reform Act of 1995 (the "Act") provides certain "safe harbor" provisions for forward-looking statements. The reader is cautioned that such forward-looking statements are based on information available at the time and/or management's good faith belief with respect to future events, and are subject to risks and uncertainties that could cause actual performance or results to differ materially from those expressed in the statements. Forward-looking statements speak only as of the date the statement was made. We assume no obligation to update forward-looking information to reflect actual results, changes in assumptions or changes in other factors affecting forward-looking information. Forward-looking statements are typically identified by the use of terms such as "anticipate," "believe," "could," "estimate," "expect," "intend," "may," "might," "plan," "predict," "project," "should," "will," and similar words, although some forward-looking statements are expressed differently. Although we believe that the expectations reflected in such forward-looking statements are reasonable, we can give no assurance that such expectations will prove to be correct.
